I talked to [REDACTED] CSA Program Staff, who now has this memorandum for action. He indicated that he intended to get with [REDACTED] and determine the availability of [REDACTED] from his funds. In the event that [REDACTED] can account for all the remaining monies in his counter measures and R&D budget then [REDACTED] will prepare the necessary documentation to NRO for the additional [REDACTED] was of the opinion, however, that the money would have to come out of [REDACTED] funds. [REDACTED] has agreed to let me know the final outcome of his findings and I have indicated the urgency of the request based on the telephone call from [REDACTED]
